## Family Testimonial

## Meet the Simon Family

Josie and Gary Simon are long time Clinton Township residents. They have been active with Clinton Township Parks and Recreation for over 13 years. Their sons, Jacob and Noah started in the Sporties for Shorties program. Today, Jacob is 14 and Noah is 12. Now, they Teen Volunteer for the same programs they enjoyed as pre-schoolers!

Josie says, "Every time the brochure comes out we look forward to enrolling in the different programs. The programs are loads of fun for our entire family. They are reasonably priced and give us an opportunity to spend time with friends and neighbors."

The Simons have enjoyed many programs over the years. Some of their favorites are Christmas Aglow and Summer Day Camp. The boys love the offerings for teens and are active in the Teen Volunteer Program, the Teen Mystery trips and the new Middle School Dodgeball League. Josie has also enjoyed Zumba classes, "Since Jacob was one year old we have been involved with CTPR. Your staff is so nice and makes every activity enjoyable. My kids have grown up with the Parks and Recreation programs."

It has been a pleasure watching Jacob and Noah grow up with us! We are proud that families like the Simons choose CTPR programs and we are privileged to be a special part of their childhood memories.

**Your #1 Place for Winter Car Storage**

**Winter Car Storage Tips from Simply Self Storage!**

▶ **Protect your fuel system.** Add a container of fuel stabilizer to the gas tank, and fill the tank to the top right before putting the vehicle into storage.

▶ **Change the oil and filter.** Make sure the oil contains corrosion protection.

▶ **Protect your tires.** If you can't store the vehicle up on jack stands and don't want to remove the wheels and tires, let some air out of the tires to reduce strain on the shocks and other suspension components.

▶ **Drain the cooling system** (including the radiator) and refill it with a rust-inhibiting antifreeze.

▶ **Preserve your battery.** Hook up a battery charger/maintainer to keep the battery alive.

## Clinton Township Community Garden

2012 is the year of "No Child Left Inside" at Clinton Township Parks and Recreation. Our Community Garden is looking to expand its impact this season. What better way to enjoy the outdoors, learn respect for our environment and make a positive difference in the lives of local needy families?

This garden was founded by ACO Hardware in 2010 has produced hundreds of pounds of fresh vegetables for the Macomb County Food Pantry. This year we are asking for your help. **Our garden is located at the Steiner Community Building, 24001 Joy Boulevard.** We have the land, the tools and the starter plants - all donated. What we need is some new members on our team of volunteer gardeners and a couple of knowledgeable "Lead Gardeners" to watch over our volunteer work force.

If you and your family, neighbors, team or other group are looking for a way to make a difference - this is it.
